

Our mission is simple

YogaPartout is to put together experienced yoga teachers students looking for certified ressources and vice & versa. And since our domain of expertise is about technology, we provide web 3.0 solutions so that all, teachers and students, find help to their wildest dreams.

Vision

Our vision is to become the ultimate ressource for archiving the wisdom of yoga, securely, in as many languages as possible.

Multiple languages

Our vision is to create relationship with everyone who shares our values. Being friend with everyone is important to us.

We are a multilingual ecosystem
