

# Our mission is simple

YogaPartout is to put together experienced yoga teachers students looking for certified resources and vice & versa. And since our domain of expertise is about technology, we provide web 3.0 solutions so that all, teachers and students, find help to their wildest dreams.

# Vision

Our vision is to become the ultimate resource for archiving the wisdom of yoga, securely, in as many languages as possible.

# Multiple languages

Our vision is to create relationship with everyone who shares our values. Being friend with everyone is important to us.

We are a multilingual ecosystem

# YogaPartout has brothers and sisters

We reach other frontiers all around
