

Welcome

If your already registered, **Welcome**. [Please login](#).

Access all quality content

Your registration doesn't mean you can access all the quality content our members produce. Because you are newly visiting, if you want to join our membership, [we ask, first that you tell us a little bit about yourself](#).

Once you filled up our member application, you can then go reach our member's space. The paid subscription helps us cover the ever increasing fixed cost of maintaining this operation up and above.

Once authenticated

Enjoy these

- Read, receive the [Satoshi.Yoga Magazine](#), a quality hybrid publication written by experienced yoga teachers.
- Submit an article for publication if you dream about reaching new students. See bellow for more information. If you already did and you need to know where are we at since your submission, please write to [media -at- satoshi dot yoga](#)
 - You own and maintain control over your content. That is one important characteristic about our magazine. It is your content, your ideas, it is yours for ever.

Einstein, the smart yogi told

Wisdom is gained by experience. Everything else is information.

Get the Satoshi.Yoga Hybrid magazine - Make a difference

The Satoshi.Yoga Subscription is our gift to the world of Yoga. This 'Digital Newspaper' subscription is a one time, one year subscription. No automatic renewal is set to be surprised. You can download the previous issues and contribution to the next ones. Our platform is created to give you the power to create and share your knowledge about yoga, be the best source of truth, give and receive.

The Satoshi.Yoga magazine is the digital version of a traditional newspaper published at regular intervals. You access the entire publication and you can download it to a device with access that is conditioned upon continued subscription payment.
